CLEVER STORAGE

TopFlex

EXTRA WORKING
SPACE ON CALL.

FEATURES & BENEFITS:

- Modular for easy assembly
- Payload: 30 kg
- Available with retractable or fixed front
INVISIBLE
AND SPACE-SAVING:
TopFlex

CUSTOMER-SPECIFIC CHOICE OF WIDTH

WHEN NOT IN USE, THE EXTENDABLE TABLE SECTIONS ARE CONCEALED BEHIND A DRAWER FRONT. As TopFlex is pulled out, the drawer front drops down automatically. The table sections slide effortlessly into place. Partially extended, TopFlex is already a usable surface.

Fully extended, the two sections plus the drop-down front and the flush-mounted runner create a streamlined table surface. A TopFlex extension fitting can support different table widths. It can be integrated into any base unit between 45 cm and 90 cm. TopFlex is available with a drop-down front or a fixed front.
